Whereas, burglaries and larcenies have taken place within The City of Buffalo over the past years;

Whereas, efforts to sell stolen property to pawnshops for cash has transpired, we are requesting an enhanced record keeping by such dealers, as digital recording will assist in making the sale of stolen property more difficult;

Whereas, a digital picture of the item or items will help in the recovery of identifiable property and will conform reporting requirements;

Whereas, each item should be cataloged with a detailed description of all the vital information;

Whereas, City Charter chapter 254 should be amended to include digital picture of the individual pawning the item or copy of identification given to law enforcement officials charged with the responsibility of carrying out the provisions; and

Whereas, the information should be kept on file for at least six months, which would help to protect the victims of theft and also assist law enforcement in the investigation of crimes, Therefore Be It

*Resolved that The City of Buffalo Common Council-*
