

To whom it may concern. 11-16-17

My Name is Patricia Singleton.
I Live at 450 Jefferson Ave Apt 223
ADP Phase II. I've been Living here
Since 2012. I have been Content up
until Now. However this entire
building has become roach infested
along with bed bugs. This is a serious
problem to many of residents.
Roaches are a serious health hazard.
It is not only unsanitary, it is
unpleasant to Live in this manner.
This is my first attempt at resolving
this issue before filing a Complaint.
I am requesting, along with others a
thorough extermination, and inspections
of those who contribute to these
problems. Please respond immediately

Thank You
